

ISUB BMW 2

Product Data Sheet

ISUB BMW 2 is a subwoofer that delivers powerful bass thanks to its neodymium magnet, a high performing Focal technology. With ISUB BMW 2, the sound is neutral and the install is quick thanks to the spacer integrated in the chassis that allows perfect integration into the original location. With its 2 Ohms impedance, it perfectly associates with the FIT 9.660 amplifier/DSP.

Key Points

- Quick installation
- No wire to cut, no modification
- 100% compatible with your vehicle
- Sound quality superior compared to the original one
- Mounting accessories included

Check your vehicle compatibility at www.focal-inside.com
